

Valentines Day Luminaries

“Let Your Love Shine”

Share the warmth of your heart this Valentine’s Day by placing a special luminary (with accompanying note) on the resting place of a loved one within the cemetery. Customized glass jar luminaries, with LED fashion “tea lights,” will burn bright throughout Valentine’s Day and night. Each will feature the last name of the recipient, and an accompanying personalized note from you (optional). We will place and retrieve the luminary for Valentine’s Day. (Its yours to keep after that!)

Total \$39.95(includes MD sales tax)
